### The Premises:

Forbidding flight of stairs at the entrance of the building, greeted by a lady behind a grill who takes books your in and provides a receipt. Once inside a very pleasant well decorated place, a bit like a Thai restaurant. The room was equipped with bath for 2.

### The Lady:

This was a new experience. The ladies come out one by one and introduce themselves. Anita was a very pretty petite woman, about 28. She said she had been in the UK for 7 years and arrived when she was 21. She worked in a restaurant, and last year a friend suggested she could earn more money working at New Thai Palace, and had been working there for the last 12 months. She was friendly and slim.

### The Story:

I asked Anita if she provided any additional services and she said yes. £80 on the door, and then an additional £40 to Anita. Started with a massage, with lots of pressure to the lower back. After around 30 minutes, flipped over onto my back, some extremely vigorous oral, and then even more vigorous cowgirl. Followed by a shared bath. The environment was very pleasant, Anita charming, but this was not for me. As a result have not visited again. Visit was before joining punternet, but thought this review maybe of benefit to some members.
