The Premises:

The GFE parlour is a small but professional building providing refreshments for all clients and a reception/waiting area that is clean and tidy and with a good feel to it. The girls coming and going is also great as you get to see them before you choose if you haven't already.

The Lady:

Cherry is a lovely lady, about 5'7", beautiful body, size 8-10, absolutely stunning in the flesh, pictures are great but always better in person.

The Story:

Met Cherry in the lounge and she was instantly friendly and chatty, asking how I was as we walked upstairs (what a VIEW!) before leading me to our room. It was small but cosy and perfect for what we needed with the shower in the corner. We were chatting away before she left me to shower, kissing me on her way out and telling me my day was about to get better, and she was not wrong. Got out the shower and Cherry soon returned, stripped down to reveal an amazing body, and asked me to lie on my front for my massage. While massaging we discussed prices and I went for the GFE. After a firm but lovely massage she asked me to turn over and she slowly started kissing me all the way up my body until her breasts were rubbing against me and she planted a kiss on my lips. We kissed a bit then she went to OWO which was amazing, followed by 69.

I am really surprised at now going there and then but she has an intuition and preceeded to slipping on a condom and riding reverse, we looked at each other in the mirrored ceiling as she rode me until I was done.

Even afterwards she was friendly, chatty, and we could have talked for ages, it was great speaking to someone with a Geordie accent as it made me feel right at home. She is a talent, an amazing woman and a pleasure to be with. I am very glad I waited to see Cherry and want to see her again soon!

Thanks for a brilliant experience.
