The Story:

Zara is slim and tall, she has various piercings which makes the experience interesting. gave a lot of personal attention during the session and I felt at ease quickly.

Was quite playful and went through all my favorite positions.

It was enjoyable, only minor thing is that with about 10 mins to go, she highlighted it was time to shower, when getting changing and leaving, I was expecting a quick bye or something similar but she disappeared. Perhaps busy, it was fine.
