### The Premises:

Well known safe discreet and well organised venue for fetish fans. Highly recommended

### The Lady:

Helen is very tall, incredibly beautiful/sexy with a fantastic figure and the best tits I've seen in a long time. My dream mistress.

### The Story:

I had wanted to see Mistress Helen before but she only works Sundays - so was excited to see her on the schedule for Tuesday. I explained to her the roleplay I was thinking of - a Headmistress/Head Boy scenario which she took up enthusiastically and pretty much owned from the start. We started with a spanking with hand paddle and cane - both OTK and then on all fours watching myself get beaten in the mirror. She maintained constant eye contact, seemed very into what we were doing, kept up a super powerful, super seductive commentary throughout, and all in all gave me the best spanking I have ever had. Then she turned me over, and wanked me, twisted and pinched my nipples, and smothered me with those amazing breasts. Then on with the condom and sat on my cock, riding me almost to completion. Before she climbed off and finished the job by hand while I sucked on her breasts. Found her very easy to talk to and joke with. Mistress Helen is an absolute Goddess and I'll definitely be returning to see her again.
