### The Premises:

very discreet location, clean and tidy reception, and very clean room.

### The Lady:

Tall,brunette, very pretty, lovely smile , nice long legs, leading to beautifully shaped bottom.  
Exactly how she appears in her photos.

### The Story:

This was my second visit, and once again greeted by a very charming receptionist. Was asked if I would like refreshments or bathroom facilities prior to appointment, escorted to my room where Jess was already waiting.

Was greeted with a very pleasant hello and smile.

Jess knew I was there for the deluxe body to body massage , so politely turned her back whilst I removed my clothes and got comfortable.

Then she turned around and slowly removed her outfit , all the time smiling with eye to eye contact until totally naked.

I was thinking "OMG, am i going to last an hour?"

She then went on with most sensual massage, and indeed the most sensual experience ever, right up to the end!

Will defiantly be seeing Jess again, and Wow what a gorgeous voice .
