### The Premises:

A pretentious looking parlour in an isolated area. The air condition apparatus in the rooms is for show, it doesn't work. The place has been touched up and tries to compete with SS on facilities but it doesn't quite make the grade.

### The Lady:

She is an Asian lady, possibly of Indian origin. Slightly more pudgy in person than the pictures suggest, which perhaps explains why her pictures haven't been updated in a long time.

### The Story:

I now understand what the previous reporter meant by her "over-the-top" service. And it doesn't mean an uninhibited service, as I initially thought. Far from it.

As soon as we started the intercourse, the act quickly became an exaggerated, frenzied, almost hysterical race to make me cum as soon as possible. She pinched and twisted my nipples, slapped my arse, made odd noises, supposedly of sexual pleasure, but they were coming out wrong. She twisted this way, that way and the other, changed positions after every 5 strokes, moaned and sighed (pretentiously), and did all she could to make me cum in record time. It was awkward, it was uncomfortable, it was strange. So I gave her what she was looking for with less than 5 minutes in. It was a really poor service.

The lady has been around for a while and I can see why she has very few reports in all those years she has been active. I can tell she has managed to fine-tune the art of 'stealing' a punt by doing as little as possible, in record time, for the full fee. I'm not a huge fan of WGs who have that attitude which is why I wouldn't recommend any aspect of this particular lady's service to any prospective punters. I have seen PAIGE at this parlour and I received an excellent, memorable service from her. I'm unlikely to return to this parlour unless Paige makes a return.
