The Lady:

Wow! Farah is a tall and beautiful black lady and ticked all the boxes for me. Farah is fantastically proportioned and has an amazing pair of big boobs. Her lovely long legs and her amazing arse took my breath away.

The Story:

Called Farah, as requested, when I had arrived at the hotel and was told that as her previous appointment had run over slightly that she was going to take a few minutes to have a shower and freshen up before seeing me. She was very apologetic about this when we met but it was no problem at all as far as I was concerned.

Farah came to the door wearing bra, pants, holdups and heels and immediately I was blown away. With her heels on she was easily as tall as me (6 foot) and the first thing that struck me was her lovely long legs - closely followed by her big chocolate boobs. There had been some reports on other sites that maybe she had put on a lot of weight but I don't know what they could have been thinking because Farah was the epitome of sexiness - tiny waist, big boobs and long legs! facially she is a stunner too and put me in mind of the pop singer Jamelia with lovely kissable lips.

I stripped and sat on the edge of the bed while Farrah stood next to me and allowed me to fondle her body and take off her underwear. Plenty of kissing and then she gave me a superb uncovered blow job. I don't know what she was doing but it was all I could do to stop myself exploding in her mouth straight away. On her profile on another site, she justifiably claims to be an expert at sucking cock and I wouldn't dispute that - she clearly really enjoys it.

After sucking my cock for a while, I suggested we get into the 69 position so that I could taste her and that was the highlight of the visit for me. I loved licking her pussy she didn't object at all when I rimmed her (a favourite of mine). Suggesting that I wanted to get inside her, I decided to go for doggy style sex and the sight of my cock disappearing into her tight (incredibly tight) pussy was a huge turn on for me.

Being conceited enough to think I could turn her on, I asked her what I could do for her and after much cajoling (she said it was for me to decide what she could do for me and not the other way around), she lay on her back and invited me to lick her pussy - something I was only too happy to do for her and after a short while of licking her clit - she said she had cum and I have no reason to doubt that as she was certainly wet enough.

I always like to finish myself off by hand with the girl pushing her boobs into my face and with Farrah's incredible boobs in my mouth and face, I came pretty much immediately. Because I hadn't cum in her mouth - even though I had paid for that extra, Farrah asked if I wanted some more time to make up for it (its easy to see why she might overrun appointments if she is always this eager to please) but I was more than happy to have paid £80 for the service I had had.

Overall, nothing but positive things to say about Farrah and if you are into black girls, then I couldn't recommend Farrah highly enough.
