### The Premises:

An apartment on the site of the old Highfield Road, Coventry City Football stadium. Clean and discrete - no issues here

### The Lady:

A very attractive lady and very intelligent and confident one too. Facially she is very pretty and pictures of her on other sites are accurate. Lovely heavy boobs. Signs of a child or two but that didn't put me off at all and should not put anyone else off either.

### The Story:

I was quite content to spend the entire 30 minute meeting in the 69 position licking her pussy and rimming her arse which she didn't mind in the slightest. Towards the end of the meeting she started to use her hands to bring me to a climax and she got more than a little firm with her hold - so much so that I had her stop and I finished myself off while she played with her pussy but that is how I like to end all of my punts so its not a reflection on Missy at all.

Overall, a good punt with a lovely lady who is very open and honest and easy to talk to
