The Lady:

Annabelle is exactly like the photos on her profile....and then some..what you don't see are her beautiful eyes and seductive smile. Her body is amazing - all the curves needed to drive a man crazy.....!

The Story:

Annabelle gave easy instructions to locate her premises, and when she opened the door.....there stood a sexy goddess dressed exactly as requested - skimpy tarty mini dress with oh so delicious black stockings and suspenders etc underneath.

I was directed into her lounge where by candlelight was offered a selection of refreshments and a cuppa tea... However, as I had brought some champagne, we decided it would be rude not to open it.

Soon I was led to the bath for a very erotic wash/massage - and if the effect it had on me was anything to go by, I knew I was in for a wild and horny evening.

Into the bedroom clutching glass and champagne bottle, Annabelle proceeded to strip provocatively down to her underwear.....what a sight.....I couldn't wait to get my hands on her....!

Annabelle gave absolutely perfect oral with lovely slurping noises and plenty of eye contact. We got up to a number of positions - the most memorable being Annabelle bending over by the bedroom window so I could shag her whilst we were both able to look down on the street below.....it was that erotic and naughty I came inside her.

After a short break, needed to taste her pussy....and holy moly.....what a delicious sopping wet pussy she has.....just how I like it.

In fact I was enjoying her so much, I lost all sense of time....

Annabelle is a very caring easygoing lady - I never felt she was keeping an eye on the time....we even had a laugh and a sing on the karaoke afterwards. By the end of the evening, I felt like we were firm friends.....she had obviously done her job....

I will definitely return for seconds and thirds and.....
