The Premises:

Nice enough place in West Kensington Block! Nice interior includes bathroom facility. Neighborhood is fine, no problems to get to and within easy reach from Tube Stations.

The Lady:

Alice seemed a nice enough lady but she did not resemble her photos! The photos have been photo-shopped to make her look more healthy and young! She is covering her tummy area for a very good reason.

The Story:

Although she is supposed to be 'very' experienced, she didn't really seem it. I asked her to go down on me but it felt like she didn't really want to and only took the head of my penis in her mouth. Was more like a 'virgin' blow job!

Anyway, I wouldn't recommend her and wasn't worth £100.

Service Provider's Rebuttal

The agency writes:

This review can't be truth, because Alice wasn't working on 8th of January 2015.

Her photos are genuine and accurate as I have interviewed lady myself and are not photoshopped to make her younger, but to cover few tattoos only.

Alice has been working as an escort for number of years and we have very positive feedback from her clients.

It looks like somebody is very concerned about this ladys success and put special effort to register on your site and to write negative review, which is completely inaccurate and unfair.
