The Lady:

Tina is just a stunning beauty she is very cute. Dark hair and very sexy eyes. Beautiful breasts and a very pert ass.

The Story:

tina entered the room in very nice black lacy outfit. As this was the first time we met it took both of us a little time to say our hellos and get comfortable. She did an excellent job of making me feel like a very lucky boyfriend. I know she offers other things but she was so cute I went for the girlfriend experience and what a girlfriend. Her owo was awesome soft but deep the right combination. I then asked her if I could perform oral on her and she smiled sexily in agreement. I hope she enjoyed it and the noises she made suggested she might have liked it.

She then went back to owo and then covered and into reverse cowgirl giving a great view of that beautiful ass then into regular cowgirl some more owo and then she allowed me to come on her breasts all in all a great time.

Tina as this is my first review I hope it was ok and thank you I told you I would post one just about your breasts but could not miss out your ass:)

You made a big guy feel wonderful thanks so much
