A slim, peroxide blonde East European girl with 32b breasts

The Story:

A very disappointing punt because the girl I was coming to see had lovely 38E breasts with large areolas. The flat was easy to find and I arrived on time. I rang to confirm when I was outside and upon given the flat number I went upstairs and rang the door bell. I waited 2 minutes and I was still outside. I rang the mobile number and was told she will come to the door. Eventually Isabella opened the door and led me into the bedroom. I said you aren't the girl I booked and she said the other girl had a problem with her eyes. Very annoying and I couldn't be sure if this was a case of classic

bait and switch. My guess was another punter was on the way who'd booked for a longer time.

I decided to stay, but wasn't in the mood for anything other than a topless hand job. I did receive some O without first and I concluded the visit by coming over her pert breasts.
