The Premises:

Very clean and tidy apartment in a modern apartment block in a fashionable location. Parking probably ok in the building basement (check with Lilly first). Otherwise nearby supermarket car park available just a 5 minute walk distance, but get Lilly to tell you the route.

The Lady:

Lilly is a totally gorgeous ash-blond 25-year-old with a great figure, just like in her photos (see Lillylonglegs111 on AW). Even better too, she has a really lovely face and exceptionally kissable lips. She is about 5'7, so in heels about 6'. Her legs guys are something to behold in heels, especially the rear view. She has the Perfect Skin that Lloyd Coles sang about. The only blemish was that she still had some dressing over stitches from a recent breast uplift.

The Story:

Lilly greeted me wearing a dress as requested. She looked terrific and I tried (unsuccessfully) not to think immediately about what she had on underneath that top layer. As she dealt with the money I went to the bathroom to warm my hands under the hot tap (it had been a cold, windy and wet walk to her place). I followed her into the bedroom and started to realize that I might have hit the jackpot this time. Lilly's looks were turning my mind to mush rapidly and my plans to control the pace of "activities", so that I could fully savour the prospect before me, went out of the window when Lilly took off her LBD and revealed a vision of feminine pulchritude in stockings and matching knickers and bra. They did not stay on very long. Everything became a bit of a blur after that, but I still have wonderful images of her luscious lips slowly sliding up and down my cock and, even better, the sight of Little Warrior in his action suit disappearing up her lovely tight cunt as she finished me off with a reverse cowgirl fuck. I have had that same magical view with quite a few girl friends and wgs but if I could only have a picture of one of them, it would be that one with Lilly. Just fantastic Lilly, thank you.

We chatted a little during my detumescence and it became clear that, young as she is, Lilly has maturity and great charm and, I suspect, a good sense of humour. I hope to confirm that in later meetings. I have feeling there's going to be quite a few.

Lilly, hope you are not offended by the Anglo-Saxon words; they are the best ones to use in my opinion.
