The Premises:

Nice easy walk from Edgware Road tube station to Charlotte's well equipped flat. She has a very wide range of costumes, plus lots of spanking equipment and sex toys. I especially enjoyed watching us in the three full length mirrors that are installed at the end of the bed!

I was offered a shower both before and after our session. The flat has a separate bathroom with a nice warm shower and fresh towels.

My return to work in January had been manic, so I made this booking at short notice. I appreciated how accommodating Charlotte and her wonderful receptionist Nat were to fit my appointment in.

The Lady:

Charlotte is a 21-year old, 5 foot 1 inch sexy bomb!

Her web site photos are regularly updated and so are a good match. Charlotte is just the kind of cheeky brunette submissive that I prefer. With a very spankable bottom that she accentuates by wearing hold up stockings and high heel for me.

The Story:

I've enjoyed sessions with Charlotte over the last few months, but this was our first for a few weeks. As much as I enjoy spanking her very fine bottom, I had something else in mind this time.

To my delight Charlotte was very keen on the role play I described, where I'd play a bank manager and her a disinterested customer. I suggested she dressed inappropriately, and she ran off to get dressed.

And what a sight as she entered the room. She had chosen a short skirt, high heels and hold up stockings (which are a big turn on for me). Blouse, cardigan and gum chewing finished the look to a tee.

Charlotte kept in character as I probed her about some very odd spending habits I'd noticed, and as

my suggestions got more risque. I will definitely return for more role playing with this young lady!

After her starring role, I slowly undressed Charlotte. Her very suckable nipples are hard to resist. When I suggested set toy play, she enthusiastically agreed and chose a small vibrator and glass dildo (a previous gift). And I enjoyed helping to bring her to a very arousing orgasm.

Charlotte then said my favourite words of the session..."Your turn"!

Her blow jobs are out of this world, even better with the full length mirrors to watch the action. Followed by Charlotte enthusiastically fucking me. Truly mind blowing!

I would highly recommend sessions with Charlotte. A sex bomb of a submissive, who is keen to please.
