### The Premises:

Excellent location, within easy walking distance of Victoria Station with secured parking close by. Basement flat in an upmarket part of town. I noticed two bedrooms and lounge decorated to a high standard. Good size bedroom, well decorated, very clean and inviting.

### The Lady:

Her descriptions on the web site is very accurate. I was really surprised how fit her body is. Tall, slim size 8, perfect pert size C tits and long hair which accentuate her beauty. She has an air of sophistication and a beautiful smile.

### The Story:

Penny entered the room in high heels, wearing black knickers and black bra and gave me a beautiful smile. She took her bra off invited me to lie on the bed and whispered in my ear just tell me what you want me to do to you. I could not believe my luck and was not expecting such a genuine, warm, eager to please invitation to an old git like me from such a beautiful woman. She removed her bra and gave me a slow back massage, then on my front and offered her pert tits, which I fondled and licked her nipples as she massaged my front. I returned the favour and massaged and explored her flawless body.

I opted for oral with, and she paid plenty of attention to my balls. The best part is that she allowed fingers and I spent a great deal of time fingering her tight pussy. She is really tight and she worked her pussy muscle to give a great advantage.

She does have a beautiful pussy with slight protruding lips. Sex was doggy to start with. I was allowed to gently pull her hair to arch her neck and back during proceedings and she pushed as hard and deep with every stroke. I will leave the rest to your imagination. A sight I will not easily forget.

I banged her as hard as I could in missionary to completion.

My final impression is that Penny wanted me to have a great time with her and I cannot not believe that I paid only £70 to bang such a pretty, fit, young and willing woman. A great GFE and I will definitely return.
