The Premises:

A pleasant flat, 2 minutes walk from Warren St tube station. A well furnished bedroom.

The Lady:

Often the girl does not match up to the photos - but with Chloe it's the other way round. Long blonde hair, a beautiful face, with lovely eyes and a gorgeous shapely body, with perfect breasts. The most attractive girl I have met in all my years of punting.

The Story:

Some girls are gorgeous to look at, some are pleasant and friendly, and some are really good at sex - rarely have I found all three in the same girl but Chloe is an exception. She's quite quiet, but friendly and genuine and seemed to take a real interest in making me happy, and she certainly succeeded. There were deep and enthusiastic kisses, fantastic OWO, and magnificent and long-lasting sex. I booked her for 2 hours, but I should have booked her for longer. The best experience I have ever had with a girl (and I've seen lots of girls). I shall return!
