The Premises:

Nice apartment in very Posh area.

The Lady:

All the ladies were friendly and fun to be with. There were 5 ladies and 5 of us men at first.

The Story:

I had a great time. I was first with Dahlia, she was a great kisser, then she dropped to her knees and gave me fantastic OWO. we then got onto the bed and enjoyed a great 69 with her. She then went back to between my legs and started sucking me more while Isabella then came over after she finished another guy off and started caressing and licking my nipples. Isabella did not kiss she told me, but that was ok. Vera is very fun and loves sex, she was giving me and another guy owo at same time. I had the pleasure of eing with all the ladies at least orally, it was a great time and kind of a blur as there was sex going on all around the room.
Great time.
