### The Premises:

### The Lady:

Profile a bit misleading as per the normal with Divine, I would say she a wee bit bigger than the size 12 advertised, still an attractive girl but my preference is for a more petit girl. Pierced nipples were fun

### The Story:

A bit rushed, couldn't wait to get away once I came after some covered oral. Don't think I'd recommend or see her again. Not my thing but it may be yours
