The Premises:

Upper floor flat in a quiet street in Oxley, Wolverhampton. Shower facilities, nice and clean and more importantly warm! she had the heating on!
Fresh towels on offer, clean linen on bed. On street parking but felt safe.

The Lady:

Mid 20's, long brunette hair, amazing green eyes, 34d tits, curvy size 10/12. 5'8" and sexily dressed for the occasion!

The Story:

Hannah greeted me with a cuddle and a long DFK. She looked stunning, really amazing. Grabbing me by the hand she took my upstairs where the fun and games began.
This really was a genuine GFE. No messing or malingering, just pure hard core fun. I found it difficult to stay in the game as all I wanted to do is blow my load but held on as long as possible. DFK, OWO and I finished by shooting over her silky smooth hands as they softly tugged me to climax. Next time I am going to have a D.I.Y session at home an hour before so I wont be as quick to shoot. Those tits of hers deserve a mention, they were bouncy and soft and warm, natural and not silicon. Fantastic. 10/10.
