The Lady:

Catty is quite a tall lady, with smooth dark skin. She is late 20's with great tits, everything I expected from looking at her photos.

The Story:

She knocked on my door, about 10 minutes after we agreed and introduced herself, she was very pleasant, I then gave her the money, the amount we had agreed before hand. I offered her a drink, she just asked for a water. We then went then talked for a while, sitting on the sofa she was very flirtatious, asking me about any fantasies I had, but nothing to personal. I then suggested that we go to the bedroom, she then took my hand and led me to the bed. We first just started kissing while taking each others clothes off, things only got more wild from there! Catty was a great shag and I am pretty sure she was close, when I finished (at least she said she was!) we then got changed, she kissed me on the cheek and left. A really great evening!
