The Premises:

Easy to find and very discreet. Flat itself is secure and very comfortable.

The Lady:

Charlotte is a very pretty lady with a wonderful smile and lovely big eyes. However it's her easygoing girl next door personality that is really attractive and makes your visit worthwhile.

The Story:

I had lost my way and Charlotte very kindly guided me to her flat. I got a bit late due to this but she did not take that into account which was really nice of her. Once inside I was greeted by her lovely smile and was offered a hot shower which was a relief as I was nervous. I should not have been though as Charlotte put me at ease and I ended up having a wonderful time with her. There was good conversation and everything else I could have dreamt of . Writing about it after 2 weeks of the experience and I still remember each detail fondly. All in all a lovely lady and I do plan to visit her again. She isn't a clock watched or someone who just does it for money. She genuinely enjoys the company and treats you like a friend.

Thank you Charlotte for the fantastic experience.
