The Lady:

Pictures as per website, except now with dark hair. Very pretty. Exceptionally fit, toned body. I don't know what to say. She's a 10. I would not change anything on her.

The Story:

Have seen Kitty a few times over her time at Bubbles, and she is one of the best at the agency. Maybe the best from recent other experiences. She is a lovely, sexy, beautiful girl. She is friendly and great to be with. She is warm, and has a great attitude. And most importantly, she is kind, with a good heart.

The evening in itself was pretty standard. Had a chat. She is really friendly and easy to talk to, and I love the way she just holds my hand. Went into the bedroom, had a bit of a slow dance to Thinking Out Loud, then removed each other's clothing. Taking Kitty's clothes off and holding her naked body against mine was worth the money in itself.

I gave her a sensual massage simply because I love running my fingers across her body. On the condom, BJ, sex with her on top, then me on top. I was a bit tired from the gym but she tried really hard to get me over the edge bless her. Then I enjoyed watching her get dressed. Hell, I enjoyed just having her in my room with her lovely smile. She cheered me up and made me feel human again, and what more could I have wanted.

OK. I have raved enough. Obviously, I think she is adorable xx
