The Story:

Had a great time. Now if you want a nice long proper massage, shes not for you. She started off with a firm upper body massage for a couple of mins, then spent the next 15 mins totally focussed on my bum, balls, ass and dick. It was wonderful. A nice body to body, then on to my front so I could see this beautiful girl in action. 10 mins of wanking me silly combined with sliding my dick between here lovely boobs had me coming with a few mins to spare. Great girl. I will return.
