### The Premises:

Continuing my re-habilitation from hip surgery this 007 decided that a spin down the A1 to Borehamwood for some hip-flexing therapy would be good. Checked with Moneypenny in mission control to see who was on duty in Borehamwood.

This location is one of six under the One2One and Kim & Friends banner (Hatfield, St.Albans, Kings Langley, Aylesbury and High Wycombe are the others). Borehamwood flat is easily accessible from Stirling Corner, discrete, clean and has the most sumptuous of super king-sized beds. Just right for hip-flexing exercises! Greeted at the door by Brooke in person as there are no "maids" or other WGs present at One2One locations. An arrangement I really like, GFEs which feel just like the real thing.

### The Lady:

Brooke is a tall, leggy English brunette. The web profile and pictures give a fair reflection of this very attractive lady. Apart from the physical, Brooke has a super friendly, bubbly personality. Is very chatty and gave me the feeling that she genuinely enjoys her work. I originally saw her about 3 years ago when I first started "punting"and, if anything,she has improved like fine wine.

### The Story:

Once both naked my first pleasure is to give tantric massage using my own special blend 007 oil and lotion. Brooke was very responsive to the massage, particularly to her breasts and upper thigh area and generally to body to body. The introduction of my tongue to her part shaved pussy also had a noticable affect on this sensual woman and warmed her up nicely for a pleasurable OWO on me. Once the condom was on it was decided that Brooke would "ride" me cowgirl fashion. She is very enthusiastic about her horse riding and I think this shows when she gets "bucking whilst fucking". Time flew passed so a bit more OWO was needed before my happy ending on to her breasts. A lovely "punt" finished with cuddles a chat and a smashing cup of tea.
