### The Story:

I was welcomed by Sasha at the door wearing a transparent garment similar to a leotard, leaving not a lot to the imagination! After being offered a drink we stripped off and started kissing, gentle but passionate. This led to a lot of caressing and mutual stimulation which I loved. Reverse oral, then she took me into her mouth and gave me a blow job to beat all blow jobs, I let her know when I was about to come so that she could withdraw but had none of it and let me come in her mouth. WOW!!!!!! a quick refresh and she was back for a cuddle and a kiss. I would recommend Sasha to anyone who enjoyed a lovely girl friend experience. Look forward to the next time.
