### The Premises:

A house located in a nice area in Central London. Great location with good access from the tube. The house itself is very well decorated to the highest standard, and offers all the facilities you can ask for. Drinks and nibbles available throughout the stay.

### The Lady:

There were five girls at the party, all gorgeous but Eva stood out for me. A russian beauty who speaks fluent English, what more could you ask for? She has a number of tattoos which only enhance her body, what more could you ask for.

### The Story:

This was a swingers party not one to one, but my review is focused on Eva as she invited me to attend. There were five lovely girls to party with for two hours heaven!!! as Eva had invited me to the party I saw her first but later moved to see the other girls who were all great! Thank u all five sexy girls, it was my first party and everyone was great and made me feel at ease. Eva u r the best, your a sex machine and thank u for invitining me to the club. I'll be back soon!
