The Lady:

Photos are heavily photoshopped...

She is not so cute and sexy that her pictures suggest.

The Story:

I was very disappointed by her level of service : no GFE at all, no kissing & DFK, no sensuality and she was not enthusiastic.

In fact I had the impression she was bored and just wanted me to leave as fast as possible (possibly because she was tired and just wanted to go to sleep, but in that case she should not accept late booking!).

I just wasted £200 !!

I will not return and I will not recommend her.
