The Premises:

Big red door of a Main Street, felt safe enough. Once inside shown to a small waiting area to meet the girls. Rooms were nicely decorated with all the facilities needed.

The Lady:

Tall leggy blonde with all over tan. Nice figure with a good set of fake boobies to enjoy ;-)

Russian girl who has lived here for a few years and speaks good English.

The Story:

Started removing shoes and socks sat down as Angela walked in looking gorgeous. Stood up and was greeted with a nice warm hug and some kissing. Explored her figure closely especially her pert backside. Continued undressing and received excellent OWO which got the fires nicely stoked. Moved to the bed for more oral and a nice session of face sitting where I explored both her pussy and arsehole. Condom was applied and several positions followed including cowgirl, standing and doggy. Where ever possible Angela would keep kissing which made the experience feel very GFE. Can't really remember how I finished? I think it was in doggy looking at the reflection of her beautiful face in the large mirror. Definitely worth a second visit sometime soon as she was very professional and I enjoyed the whole time there. Xxx
