The Premises:

Flat located in a safe area. Entrance is away from the street so very discreet.

The flat was set up like a personal love nest. Full of candles and great ambience

Shower & bath was available before and after out session.

The Lady:

A simply stunning woman. Gorgeous eyes. Long, long blonde hair, toned legs, tight bum and fabulous all natural large breasts (F or G cup)

She was dressed in a purple outfit as requested. It was a breathtaking site as I was greeted at the door.

She looks great in her photos on her website but looks amazing in person.

The Story:

Such an outgoing, caring person. Who is very intelligent. You are simply treated like a king from start to finish. Annabelle provides the ultimate GFE experience.

Well this was my 2nd visit to Annabelle in just over a week. I didn't think my first visit could be topped how wrong I was. The 2 hours I spent with Annabelle simply flew by. My visits with her have been 2 of the most memorable evenings I spent with a woman for a very,very long time.

On arrival and at the end of my visit I was offered a bath which is a nice touch. I already had a nice bath before coming to Annabelle so I was ready to go. Even though there were nice treats on the table to eat in her lounge there was only 1 thing on my mind.

We started with sensual kissing which turned into some great french kissing. Things really started to heat up and before I knew it I was being treated to some sensational OWO. We then proceeded to the bedroom and enjoyed over an hour of amazing sex in a number of different positions. Once I

was spent we had a lovely cuddle. I could have held her all night :-)

To finish up the night I finally decided to sample some of the nice treats that Annabelle had prepared.

I cannot compliment Annabelle enough. She is always attentive to your needs. She makes you feel so comfortable and she likes to have a good laugh. She is never a clock watcher as we ran over again.

Quite simply she is by far the best GFE experience I have ever encountered. I highly recommend a visit to Annabelle I guarantee you will not be disappointed.

I certainly hope to be a regular visitor.
