The Premises:

Apartment right near Telford town center. Really quiet area felt safe and easy parking just outside. Inside was very clean and warm - again was very quiet and certainly felt we wouldn't be disturbed.

The Lady:

Kimberly is a stunner ! Beautiful face with the most gorgeous eyes I've seen.
Great figure with lovely sized boobs and a fantastic bum. She was wearing a really short dress when she answered the door and the way her ass was just showing was truly amazing.
She was also smiling from the minute she opened the door and makes you feel a 'King' from the second you meet.
The photos on her profile are all accurate.

The Story:

Kimberly answered the door wearing a short black dress and I was invited inside.
I was welcomed with a passionate kiss in the hallway and then led to the bedroom.
Money matters were dealt with and Kimberly popped out and returned with a nice glass of wine each.

We chatted for a few minutes and then a great session of deep french kissing. Kimberly is a very passionate young lady and possesses a very active tongue !
My hands wandered all over her body and I soon discovered there were no panties beneath the dress.

I explored and Kimberly was already very wet. She soon started undressing me and dropped to her knees.

I was stood in front of a large mirror and watching Kimberly go to work was incredible. I think she gives the best blow job I have ever received. She started off slow and all areas were treated to her attention. She took the occasional slurp from her glass of wine and then straight back to my manhood - what a feeling that was. The alcohol being slurped over the end of your cock was a wonderful feeling.

Not wanting to cum too quickly I lifted her back from her knees, turned her around in front the mirror and

removed her dress and bra. Hands explored her body and I then pushed her onto the bed for some oral on her.

She was indeed very wet and tasted divine. She moaned and gasped at all the right moments as my tongue probed away.

My cock felt the need to be back in her mouth so we moved into 69 with me on top. She enjoyed taking me deep into her

throat and the feeling was too much ! I stood back up and she dropped back to her knees and started a much faster BJ.

This was wonderful and I soon erupted into her mouth. Kimberly worked every last drop out of me, gave me a very naughty smile and popped out to the bathroom. I collapsed on the bed and she soon returned telling me what a 'naughty boy' I was !!

We chatted for about 10 minutes (recovery time for me !) and she then started to gently tease my cock back to life.

More passionate kissing and I was soon back to attention. More 69 with Kimberly on top and she continued to slowly work

on me with a very wet sloppy BJ. I knew I couldn't take much of this so I asked her to put the condom on. Again she

commented how naughty I was (jokingly of course) and rolled the condom on with her mouth. I turned her around into

doggy so we were facing the mirror. What a sight as she looked at me in the mirror as I took her from behind. She

has the most wonderful bum which has to be seen to be believed. I flipped her on her back and pounded her in missionary

while DFK at the same time. This was fantastic and I soon finished inside her and collapsed on the bed again !!

I was in heaven !!

Kimberly returned from the bathroom and we finished our wine. I took a quick shower and dressed. Shower facilities were good

with nice fresh towel. Another wonderful kiss goodbye and it was time to leave.

This wasn't my first visit to Kimberly but have never left her a review ! I can honestly say she is the BEST I have experienced

and I hop to visit her for the rest of my life !!!

I fantastic sexy girl who will leave you planning your next visit the moment you walk out the door.
