On street parking or pay and display around the corner, buzzer/gate entrance. Friendly maid, nicely decorated rooms, shower facilities with fresh fluffy towels etc.

The Lady:

Lucy is lovely! 5'8" slender size 8 brunette. Lovely figure, nice breasts and peachy bum! legs that seem to go on for ever and a wicked smile, you know you are going to have a good time when you see that smile - it's SO dirty! age wise late 20's.

The Story:

Lucy introduced herself as did 2 other girls, the smile sealed the deal and I'd made my mind up before seeing the other 2 girls; although I did see the other 2 when they came in the room to say 'Hi', the other 2 were nice but Miss naughty smile had it in the bag from the off!

Lucy is naughty/dirty/damn good fun, she showed me a few new tricks and to be fair I thought I knew them all. She is a great kisser and the time flew by. OWO and cowgirl style took up the first 10 minutes and I had to slow down and opt for a basic massage as if I didn't it would have been all over there and then. She is experienced and knew she could have taken me over the edge and spurting like a fountain anytime but thankfully gave me a fair crack of the whip and we managed (Just) to make it to the 30 minute mark before I blew my load over her skillful hands wanking me whilst her tongue was half was down my throat. I lay back and let Lucy 'clean me up' with wet wipes whilst we chatted like old friends about nothing in-particular.

Great time, thoroughly recommend Lucy, ticks all the boxes, put a big smile on my face.
