The Story:

This was a quickly arranged booking as my other booking had to cancel so great that Abigail could fit me in , in all sorts of ways especially since I had tried to see her unsuccessfully last year. First thing to say is she is really lovely with great bubbly personality and very friendly and genuinely seeks to please. She loves dressing up and changed several times for me. All services delivered with gusto and although she does do Alevel and she really tries she is very tight and frankly if you are on larger side she just wont be able to accommodate which will just upset her as she really wants to please. Oh and she really likes a messy facial some girls say they do but she really does. All in all would definitely recommend. Thanks again Abigail you were well worth the wait.Geoffx
