The Premises:

I've not been to garden of eden for a long while but it hasn't changed much, the rooms seem to have had a revamp but the rest of the place is much the same, on a busy main road but no one takes any notice of cumings and goings so safe and easy to park outside.

The Lady:

Amber is in her early 20's not skinny but not in anyway plump just a nice hour glass figure, long dark hair and a gorgeous smile.

The Story:

I was introduced to the three girls who were available and Amber hit the spot, maybe it was the big smile? I used the facilities and freshened up a bit first before meeting Amber in a nicely decorated and lit room, she is very easy to get on with and chatty. I was treated to a nice massage with plenty of attention in the right places! Amber offer's a few extras and I was happy to include kissing and OWO, the next 20 mins was a bit of a blur but I was treated to some very passionate kissing fab OWO then on with a condom and sex in a few positions, I'm afraid to say I didn't last long but my time with Amber was Fab. I must get back sooner next time.
