The Story:

All excellent!!!!. Organised well ahead of day, so time/place was sorted easily, Charlotte asking what I might like

etc so she could come prepared. She confirmed appointment again early on day of appointment, and arrived exactly on time.

All this helps to get yourself in mood and that she comes prepared for what you like.

Charlotte is fantastic!!!!. I know its a common phrase, 'oh she is much better in person' , than in pictures. But this is so true of Charlotte, not for her pictures, but her huge personality. It just leaps into the room when she arrives and, you just know you are in for a good time. A little preparation guys.....freshly showered, drinks ready, all help and just get the evening off to right tempo. If you are nervous, not sure of these things, Charlotte is one for you. But I am sure if you like a bit of domination she has that ready under her belt as well!!!

Charlotte soon had me undressed, her in some gorgeous lingerie, and was bringing out various toys from her bottomless bag of tricks. Well I wont go into details you can find that out yourselves, except she does an amazing boob / oil / wank as well as OWO, and so so much more. Cannot recommend enough

Why arent all girls like this???? well they are not, so dont waste your money elsewhere

Thanks Charlotte, a great evening x
