The Premises:

Comfortable apartment in the west end. The modern white surfaces and led point lighting give it a futuristic feel.

The Lady:

As per her pictures, if anything seems much slimmer. She has an exotic look about her which i quite like.

The Story:

I heard Gabriella may be retiring soon so I hastened a visit.

After formalities she invited me into the bedroom. All very pleasant although laid out on her dresser top was veritable smorgasbord of sex toys and various 'devices' she no doubt likes to engage. Anyone who has read my previous reviews will know I'm quite a 'Captain Vanilla' (well, apart from certain kinks) so seeing all these props was quite an eye opener for me.

We messed around with them a bit, but i couldn't get into it. In the end we just had regular sex on the bed, which I enjoyed.

I probably would not see Gabriella gain as sexually we seem to want different things. However she is personable and pleasant to be around and has a good attitude and so definitely merits a recommendation.
