The Premises:

Pretty discreet part of Long Eaton. Looks like a tattoo parlour from the outside. But inside it is fine. Pleasant room lit with candles. It was a good atmosphere

The Lady:

Attractive petite young woman with blond hair and a nice shape. Her photo on the website is accurate. She is worth seeing.

The Story:

She said she was properly qualified and trained in massage and I can believe her. Lying on my back and feeling her expert fingers was a great experience. She was fully clothed and it felt like a massage in a posh Spa - proper pampering and civilised chat. Then she asked me to turn over and pulled her top down to reveal a superb pair of small firm tits. She wanked me off while I paid them some attention. It was absolutely brilliant. She only charged £40 - but to be honest I would have paid a fair bit more for an experience like this. Well done Charlotte.
