The Story:

My third visit to Ego. I had previously seen Rihanna but she has stopped working there. Proper massage, good strong hands. Very relaxing on my front, but I was a bit concerned when I checked my watch and there was only 20 mins left and I had not turned over yet, given I would need time to shower off the oil. Jayda had given my cock and balls constant attention for the past 5 mins but until I turned over I could not see or touch her of course. So I asked if I should turn over and she said yes, then it was wonderful with my cock sliding between her breasts and my hands wandering over her top half. Beautiful natural large firm breasts. Could only stand 5 mins of this before the really happy ending, very nice technique with her hand. Still time for a little more massage of my chest and then a shower and I was out exactly 45 mins after start. Not a clock watcher at all but I do wonder when she would have said turn over if I hadn't said anything. Perhaps she could tell I wouldn't last long! Ego is a bit of a trek for me but will go again, I really like the place and am not at all bothered it is not a full personal service, I am fine with just a happy ending nowadays.
