The Premises:

My first visit and parking on a Sunday was easy and there was a nice welcome. I was introduced to 4 girls and chose Harriet. The room was clean and had a shower and I felt very comfortable.

The Lady:

Harriet is good looking. I feel her photos on the website didn't do her justice. She is prepared to be chatty and has a lovely personality.

The Story:

Harriet made me feel at ease straight away and is skilled and confident. Based on my experience I do not believe anyone visiting her for sex and a good time is likely to be disappointed and that you will feel you have made a good choice.

I would advise anyone visiting her to also look a little deeper though. There is a treasure to be found.

If you make an effort to be nice and talk to Harriet you will find that real 'Girl Friend Experience' that is so sought after but seldom achieved. The effort is worth it, I went in for 1/2 an hour and stayed an hour - and then I glowed in the memory of my time with her on the 2 and half hour drive back home. I plan to make more Sheffield trips as soon as I can.

Thank you Harriet
