The Premises:

Safe and discreet apartment in central MK close to shopping area, massive car park which is free after 6 and about 40p an hour other times. People around going about their business, but the premises are discreet enough to make you feel confident that it is unlikely anyone would know what you were up to. Place itself was well decorated and clean - also credit to the efforts made to avoid 'punter clash' as I was bundled into a bathroom by the maid as soon as I entered for a few minutes whilst other punters arrived and departed; was a bit odd stood in a wet room fully clothed for five minutes but I appreciated the motives as I'm sure the other punters did.

The Lady:

Smoking hot Russian with awesome tattoos and a rock chick look - and an accent that got me going-, looked and sounded like a sexy Bond villain! Website pics don't do justice - check her out on Twitter and her own posts are much more accurate and boner-inducing. This was to be my first of three punts in MK this week whilst here on business - and Yana was a great introduction to the Annabellas way of life!

The Story:

Fantastic session, started with lots of touching and kissing, standing up and admiring her ink from several mirrored angles, then she dropped to her knees and took my already rock hard cock into her mouth for some amazing owo - then into the bed for some 69 and she tasted great, oral was that good that I had to change course pretty quickly to avoid popping too soon, covered up and into some cowgirl admiring her tight toned body, followed by doggy where I couldn't stop myself, so finished in her pussy, unusual for me as I usually like to cum without the rubber, so usually opt for more oral or whatever, but her pussy felt so good I had to carry on. Cleaned up and spent remaining minutes having a bit of a chat. Nice experience and along with my other two punts this week, I am certainly a fan of Annabellas and itching to return!
