The Premises:

house on a quiet street of cranbrook road in gants hill. Has parking on road and the interior is nicely done and very clean...looks like a place she lives in. Newly decorated very comfortable and safe.

The Lady:

5.2 ish, petite and curvy. A nice large pair of boobs prob around 34e and a trimmed pussy. Dark curly hair and origins from Romania but good english..seems like she been here sometime. She works alone so no other girls or receptionist etc. Her pics on adult work were spot on and what attracted me in the first place.

The Story:

Upon arrival was led to a ground floor bedroom, once again recently decorated with a nice scent and warm atmosphere. Lay down on a bed and a good massage given by monica with lots of kisses on neck, back and bum. Turned around as proper hard now to get a very good BJ...(owo) didnt expect this. After a few mins did her missionary followed by her riding me till I wanted to cum via a sucking. She proceeded to give me a great bj with ball sucking till I shot my load. For £50 I think she is a great find and full value for money and experience.
