Monica is 5'7", well proportioned with light brown shoulder length hair. Breasts are C cup. Her pictures are very accurate. She is Nordic. A very pretty and sexy woman.

The Story:

I noticed that Monica was back and available as her website was back on line. I eagerly called her and as usual she was prompt in responding. We made our date and she showed up at my hotel exactly on time, wearing a classy black dress.

She came in and we engaged in some catch up conversation. This quickly turned into passionate kissing and increasingly erotic touching. She was soon on her knees and my pants deftly dropped. She licked my cock up and down the entire length slowly and with great skill. I reciprocated as she laid on the bed with her legs widely spread open.

We moved on to several other positions including one of her favorites, doggy. We moved from bed to chair to floor and back to the bed as we tried the different positions and included some BBBJ and DATY, which she greatly enjoyed. She is very creative and inspiring. I came finally when we were back in a doggie position. We rested a bit and continued in some great conversation. She is a very bright woman and I enjoy our conversations. She felt enough time had gone by and that it was time for me to come again. She brought me to a hard on through some skillful massage and crafty use of her tongue. I was surprised that i came again. I was so drained form this. We cuddled, chatted a bit more. it was then time for her to leave.

I can't wait to get back to London to see Monica.
