The Lady:

The Story:

I have been to see jayne before,she met me at the door,she was in a dressing gown but her breasts were spilling out of it. We kissed and I followed her up to the bedroom,she offered me a drink but declined. We both stripped and I joined her on the bed,she payed there playing with her huge tits and slowly opened her legs to reveal a gorgeous shaven pussy,I was on it in a flash,she tasted Devine and I think I was hitting the spot as I could hear moans from her,by now she was getting extremely wet,she told me to finger fuck her, I slid 2 fingers into her very wet pussy and fucked her good,by now she was very aroused,and very very wet,and then she came,got to admit it was massive and my hands were wet through,cum was dripping from them. By now she was ordering me to fuck her,so it was on with the condom and I fucked her missionary,I was amazed how wide she could widen her legs,it was a joy to watch my cock sliding in and out of that wet pussy,in and out like liquid velvet. As I continued to fuck her Jayne was talking to me in the most naughtiest way,found that a huge turn on,then when I could not hold on any more I took the condom off and Jayne sucked me off till I shot my load into her mouth,she swallowed the lot,both just layer there in each other's arms. I would recommend Jayne very highly,so so your self a favour and go get the fuck of your life.
