### Details of Service Provider:

### The Premises:

Private house in village location. Safe parking. Clean and tidy "activity" room with adjacent washroom.

### The Lady:

Very pretty petite blonde with a lovely smile, great legs and a truly wondrous backside. Small but nicely formed tits. Photos on AW (xxMissSexyRachelxx) are genuine but her lovely face is not done true justice in any of them. Rachel seems to think that her arse is far too big and her thighs are too thick. They are divine and deserve a Michaelangelo to sculpt their true image so that future generations of men can worship them as I did.

### The Story:

Good communications by text. Immediate rapport once the front door was shut. Rachel wore exactly what I had asked for. Sensationally filled clingy "dress" which, she assured, was not what she would wear when going to Tesco. I was enraptured instantly. Every time she moved the hem just rode up another 3 inches. I had to tug it down for her several times. Little Warrior woke up very quickly. We chatted on the leather sofa as I tried desperately to speak in whole sentences about how I would like our time together to pan out. Rachel clearly is a good listener. I had a totally joyous 45 minutes with a gorgeously sexy woman. Details are unnecessary. I will be seeing Rachel again and again, I have no doubt about this.
