Block of flats close to town centre. Entry phone flat which is accessed via a flight of steps off the street. Parking in road outside is limited but plenty in Matalan carpark close by. Nice clean warm flat.

The Lady:

A rather lovely Thai girl about 24/25 years of age. Fantastic slim body, small shaved pussy and nice firm round breasts. Flawless smooth skin and a lovely bum.

The Story:

I have seen Annie twice now. This is unusual as I rarely see the same girl twice but she does tick all my boxes.

She remembered me from my first visit and once the paperwork was completed I stripped and waited for her to return from putting the money away. She was wearing a very short mini dress which showed off her body really well. I started by sitting on the bed and fondling her bum and breasts before sliding her dress up and touching her pussy. I laid her down and started to lick her inserting a finger into her tight pussy.

After a while I needed to enter her. On with a condom and with her legs around my waist I was in her tight pussy. It was too good to last long and I unloaded a little too quickly.

Afterwards we chatted about all sorts of things, she was in no hurry to end things. She is a charming beautiful intelligent young lady.

If you are a fan of pretty Asian girls then don't miss Annie.
