The Premises:

Less than 5 minutes by walk. I know very well that area in London, but if I don't I really thing that google maps does the job easily. Nice and clean building. Her apartment was very nice and her bedroom facilities quite good ! I was very pleased with bed's size! Ahh, there is a nice mirror by the side.

The Lady:

Well, she is absolutely great ! Surely, she is my cup of tea. When I saw the pictures in the website, it quickly makes me paid some attention ! But, when I saw her face to face, woww it was much much better ! She is the girl of the pictures, but she looks a bit younger, and looks a bit taller ! Exactly what I would like to find ! Nice hair, very beautiful tits, such a gold ! Her eyes are very beautiful ! In particular, she has such a "brazilian" ass ! Her butt, is really something ! Also, the cherrie on the top is her Friendly way to talk & act ! Very nice girl that it will be very hard to forget !

The Story:

I arrived on the address at time. I was very pleased to press the buzzer and see that I have made a right choice to be there with her ! Very friendly, and she does what the site described as her services. I start kissing her, and I spent some good minutes doing so. She was always with a lovely smiling ! When I asked her to DFK, she played it very well. It was surreal to see her ass up and I knew that I will have a couple of positions playing with her ass. 2rounds. 1 CIM. I am looking forward to see her again ! Normally I don't like to come back and see an escort for the second time, but Madlen is something else.
