The Story:

My first visit to Alex was on the recommendation of a Pro Dom I'd been sessioning with for a while.

Q. Who should I visit next Mistress ?

A. 'You have to visit Kinky Alex she's super smart and super sexy, you'll love her '

And she was right I do !

I've had four sessions with Alex over the last few months and every session has literally blown me away. She's shown compassion, support and insight during our sessions and in the correspondence between sessions.

I trust her and our play together has developed enabling me to push my thresholds and intensify the experience of 'playing' with her.

She is the epitome of professionalism and her web site, blog and twitter account provide access to intelligent debate and detailed advice about exploring BDSM and how to behave as a client. If your going to visit her, make an effort and read the guidance she provides.

If you try to be the best client you can - she will deliver one of the best experiences you will ever have with a professional. We're all looking for different things when we decide to visit a sex worker. Show this woman respect and she'll show you KINK you didn't even know you were looking for !!

After all she is the one and only, beautiful Kinky Alex !
