The Premises:

This was the HoD location near Victoria. A nicer room than I had been in before, fit for purpose and comfortable. The maid did a great job and there were 2 other girls sitting around, a very nice, warm and welcoming atmosphere. My all time favourite had cried off sick so I was lucky enough to get an appointment at short notice with Kristina.

The Lady:

Kristina is very attractive statuesque dark haired Bulgarian. The photos are photoshopped but she is the girl in the pictures.

The Story:

Kristina was very welcoming lots of kissing and caressing and she soon had my clothes off. There was some good handwork, some nice OWO and some very agreeable RO. This was all very enthusiastic and pleasant. I don't like to go all the way on the first date as I like to get to know the person and also get to know their skill and application levels. There was definitely room for improvement on both our parts, i never really got hard enough and her skills were so so. I came in her hand and spattered her tits all very satisfactory. She was very chatty and cuddly afterwards which I like and in 10 years of punting it was a good solid punt.
