### The Premises:

The wonderful Chelsea Cloisters, packed full of escorts like a toy box. Isabella's place is up on the 8th floor. Very nice, subdued lighting, music, candles, and of course the lady herself!

### The Lady:

Isabella is from Moldova but speaks pretty good English - easily enough to get all your needs and wants across. She is in her thirties and much prettier and much sexier than her photos. She is quite petite but splendidly curvy with delicious large soft breasts and a gorgeous bottom.

### The Story:

Isabella greeted me with a hug and a kiss (she doesn't french kiss but never mind!). After using the shower I lay on the bed and she undid her fairly see-through top and gave me a delicious boob massage, working her way down to my cock, and using her gorgeous breasts to give me a splendid titwank. Then she took me in her mouth and gave an extensive and fine blowjob OWO, with full eye contact. In between all these moments she was back up kissing me, tweaking and kissing my nipples, giggling in mock surprise when I asked her to do something, a lovely GFE experience all round ("I want to fuck you" - eyebrows raised, wide eyes, "Me?"). We did cowgirl, reverse cowgirl with the sight of her beautiful arse taking me to the brink, then finished in cowgirl again, pumping into her pussy while enveloped by her plump thighs and soft breasts.

This woman is a GODDESS - my favourite part was Round 2, when with ten minutes left on the clock she gently wanked me while staring into my eyes and making sexy faces inches away from mine as her clever hand took me over the edge again.

Oh, I forgot, she has a sweet pussy and enjoyed some oral and some very slow careful fingering. All in all a beautiful experience with a beautiful real woman, I think I'm in love!
