The Premises:

I visited Alex in her regular incall flat near Piccadilly Circus. A very easy central location, actually within walking distance of my office! The flat itself is beautiful. Great high ceilings, stylish furnishings, soft lighting, etc. She's clearly spent a lot of time and money getting it right, and it shows. Definitely the nicest incall flat I've visited, and much better than most hotels frankly!

The Lady:

She goes by Alexandra on her website, but she asked me to call her Alex. In any case, the pictures on her website don't really do her justice. Lovely long hair, piercing blue eyes, and a body you would kill for. A beautiful creature. Very smart too (smarter than me, if I'm being entirely honest!), can definitely hold up her end of the conversation. Altogether a fantastic girl, I fully intend to spend as much time as I can in her company from here on out.

The Story:

I had a two hour booking with Alex, though I wish it was longer. I'm not the sort of guy who needs anything fancy, so I won't bore anyone with the very explicit details. I will say that she's a very enthusiastic girl who loves her job, which is definitely a welcome sight to see in this day and age. I was more than satisfied, both by the "personal" services and by the conversation afterwards. As I said, I could have spent hours more in her company. If you're the type who wants a review in hard numbers, she's definitely a 10 out of 10 (possibly an 11, if you're willing to bend the rules a bit)!
