The Premises:

Plenty of parking and conveniently situated for town centre. Lovely decor and exceptionally clean. Can't fault it.

The Lady:

Second time I have seen Krostina, first being at a party last year and forgot just how stunningly beautiful she is. Dressed in black hold ups and a see through cami I greeted her like old friends and she instantly remembered me!

The Story:

Without doubt the best fuck and be I have had (and believe me I have had a few!!!!). She is totally genuine, huge fun to be with and incredibly sexy and man does she love what she does. Also get it right with your tongue and she comes like an express train!! In another life I would marry her tomorrow!!! A real gem and this will not be my last visit ;-)
